

Sociology of Religion: A Quarterly Review

SUBMISSION CHECKLIST

(Required with submissions as of September 1, 2005)

The *Sociology of Religion* editorial office does not employ a full-time copy editor or managing editor. The editor and a part-time editorial assistant are responsible for the entire operation. Therefore, by preparing your manuscript as described in the "Notice to Contributors," you expedite the initial review and, if accepted, the eventual publication of your manuscript. This checklist is designed to help you and the editorial office ensure that your paper is in the proper format when submitted. Please complete, print, and mail this checklist along with your manuscript to the editorial office.

The editor reserves the right to return manuscripts for which each of the following lines cannot be checked:

_____ **Processing Fee.** Author is a current member of the Association for the Sociology of Religion or a \$25 processing fee is enclosed.

_____ **Ethics.** This paper is not currently under consideration at another journal.

_____ **Manuscript Transmission.** One hard copy of the manuscript and an electronic version (by email, which is preferred, or CD/DVD) are being provided.

_____ **Anonymity.** All information identifying the author(s) (even indirectly) has been removed from the text.

_____ **Format.** 12-point Times New Roman font, 8.5 x 11 inch (A4 is acceptable) white paper, 1 inch margins on all sides, double-spaced throughout, left-justified, pages numbered consecutively.

_____ **Title Page** (not attached to manuscript). One copy with the full article title, full names and affiliations of authors, contact information for corresponding author, and word count.

_____ **Biography Page** (not attached to manuscript). One copy of less than 100 words of academic biographical material per author.

_____ **Abstract Page** (first attached page of manuscript). Includes the full title of the paper and a 100-150 word abstract. This is page #1 of the manuscript.

_____ **Text.** Begins at the top of the first new page following the abstract page. This is page #2 of the manuscript.

_____ **Citations.** Are formatted according to the style prescribed in the "Notice to Contributors." Every citation in the text is in the reference list and only citations in the text are in the reference list.

_____ **Reference List.** Format of references follows that given in the "Notice to Contributors."

_____ **Tables and Figures.** Each is printed on a separate page and placement is indicated in the text.
